NOV 21 1956

The Honorable Percival Brundage
Director
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Brundage:

Pursuant to the recent request of the International Division of your office, I am forwarding herewith a copy of the document entitled "Survey of KID Dissemination and Use" in the form in which it was finally approved by the Intelligence Advisory Committee on 7 August 1956.

In agreeing to release this document, the members of the Intelligence Advisory Committee requested me to emphasize, at the time I transmitted a copy to you, certain matters with respect to the nature of this survey. In particular, this report is an informal survey, undertaken with the limited goal of establishing the distribution pattern of National Intelligence Estimates, and of shedding light on the manner in which they are used. Moreover, I wish to stress that the survey was originally for the internal use of the Board of National Estimates and the Intelligence Advisory Committee.

In view of the nature of this document, as indicated above, I am sure that the members of the Committee will appreciate its return when its purpose has been served in your organization.

Sincerely,

Allen W. Dulles
Director

Attached is proposed letter to the Director of the Budget transmitting a copy of the Board of National Estimates' "Survey of NIE Dissemination and Use."

You will recall that in the course of the current informal hearings on our 1958 budget presentation Mr. Robert Macy's staff in the International Division of the Bureau asked to see a copy of this document. The matter was discussed at the IAC meeting and transmission approved on 30 October 1956 (IAC-M-263, Item 5).

" In checking, I was told that the IAC did not agree that our letter would request that this survey be returned. Although the matter was discussed, no conclusion was reached on this point.

In case you should desire to have it returned, I have had the letter re-typed with the request included.
